All EISAP-J expeditions are run by North Star. This is a UAE based company which has been organising school based adventure activities for many years. They use fully qualified staff and have extensive knowledge of the conditions our students will encounter. The owner and founder, Paul Flaherty is an ex SAS Military man who has extensive experience in providing adventure activities. He has lead school trips here in the UAE and abroad for over 20 years.

Risk Analysis

A detailed assessment of potential risks has been carried out by North Star in conjunction with EIS-J staff. There are inherent dangers with any adventure activities but these are easily minimised or eliminated. An important part of eliminating risks is attending the training sessions. Please ensure your child attends the designated training sessions. Another vital component in reducing risks is the following of all instructions of North Star staff and EIS-J teachers. Failure to do this may place your child’s or others at risk and will not be tolerated.

Please reserve a place on the EISAP Gold Expedition to Borneo and the practice hike to the Hajar Mountains for my son/daughter.

EISAP Registration

All students attending this trip must be registered EISAP members. A completed activity sign-up sheet and registration fee paid prior to departure.

Payment does not guarantee your son/daughter a spot on the trip. Students may be prevented from attending excursions due to poor behaviour, breaches of uniform dress code or other reasons. This decision will be made by the EISAP coordinator, dean of students, head of grade and deputy principal.

Please return your payment and attached medical notes by the Thursday 3rd November 2011.

4. PARENTS OR GUARDIAN'S DECLARATION

To the best of my knowledge, the information I have given is correct and the child named below has my permission to engage in all the trip activities, unless otherwise noted and indicated in an enclosed written doctor's report. I accept full responsibility for any claims, losses, expenses or liabilities arising out of, or related to, my child's participation in the expedition.

I hereby give permission to North Star and/or EIS-J staff to dispense the above medication on my behalf, according to the dosage and frequency indicated. I understand that all medications should be sent in an appropriate container, clearly marked with the child's name and medication details.

I hereby give permission to North Star and/or EIS-J staff to authorize, on my behalf, any emergency medical care (including surgery) which, on the recommendation of qualified medical personnel, may be deemed necessary. In such circumstances, I understand that North Star and/or EIS-J staff will seek to advise me or the emergency contact person designated at the earliest possible convenience.

I understand and accept that should my child possess or consume any drugs or alcohol, smoke, or in the opinion of North Star and/or EIS-J staff behave in a way incompatible with the expedition at any time, that I will make immediate arrangements for him/her to leave the expedition at my expense and return home."
