HOUSEKEEPING

All Activities are free of charge, however please check individual club requirements as materials and equipment may need to be purchased outside of school.

Students can only choose ONE activity PER DAY. Students cannot alternate between activities each week as this is a safeguarding issue and registers are taken thus students are required to attend the ASA club they signed up for.

If there are very low numbers that sign up for a particular club, then unfortunately that club will have to be removed from the program. Either an alternative club will be introduced or the club will be moved to another term.

If a student is regularly not attending a club which is at full capacity, your son/daughter's place may be given to another student who would like to attend.

Clubs will run from 3PM - 4PM. Students need to be off the school site by 4.00PM.

Late buses are available for students on Tuesdays, Wednesdays and Thursdays. To catch after school buses please make sure students are there promptly after the club to avoid missing them - details must be provided when completing the google sign up form.

START DATE: W/C Monday 15th January

NO ASA Tuesday 13th February (Mid Term Break); RESUME Wednesday 14th February

END DATE: W/C Monday 11th March

If you have any questions or queries please contact Mr. Robert Cross rjcross@eischools.ae Or students can visit the PHE office to discuss in person.
